

## Harm Reduction in a Changing Global Context

# Challenges and Opportunities

Organized by the Government of Netherlands, Aidsfonds, International HIV/AIDS Alliance, Mainline, AFEW International, International Drug Policy Consortium, Stop Aids Alliance and Harm Reduction International.

**Friday, 17 March, 09.00- 09.50**  
**Conference Room M6, Vienna International Centre**

This event aims at keeping the health and rights approach - including harm reduction - high on the political agenda. Given the changing global context, this important work remains fragile. The event draws examples from three Dutch funded programs in different countries and settings that include advocacy for and implementation of harm reduction in their work.

**Please join us for this event!**
