Dear Colleagues, Patients, Advocates, Stakeholders and Friends!

The 5th ADRIATIC DRUG ADDICTION TREATMENT CONFERENCE and the 7th SEEA (South Eastern European Adriatic Addiction Treatment Network) SYMPOSIUM ON ADDICTIVE BEHAVIOURS

We are proud to welcome you all in a beautiful city of Ohrid together with many colleagues throughout SEEA region and numerous international representatives, representing as well the partnership that SEEA net has developed with PSYCHIATRIC HOSPITAL SKOPJE and MACEDONIAN PSYCHIATRIC ASSOCIATION, WHO, EUROPAD, other international organizations and members of the World Federation for the Treatment of Opioid Dependence.

SEEA net 2010 is a meeting that anyone concerned with the people who benefit from our services will want to attend.

Our main conference topics are treatment of drug users with comorbidity and cooperation with existent drug prevention and treatment services, medical, social and other services and NGOs in the region, treatment of Hepatitis C, different praxis through the region and treatment in prisons.

The organizers are all excited about hopefully excellent conference program developed by our conference planning committees and coming together at nonformal meetings as Welcome reception, wonderful Conference party, Awards banquet and other social program events.

The conference site, the hotels Metropol and Bellevue are just a step from the beautiful Ohrid lake, so be sure to make reservations of your accommodation as soon as possible, as the number of rooms is limited. And surely, plan to take some time to enjoy the warm autumn.

We hope that so many of you will be in Ohrid, Macedonia to celebrate SEEA net Conference and Symposium and to be a part of the premier addiction treatment conference in the region.

We look forward to meeting all of you at **SEEA net 5th ADRIATIC DRUG ADDICTION TREATMENT CONFERENCE** in just a few months so we invite you all to come to the great city – Ohrid, Macedonia!

Warm regards to all of you,

Andrej Kastelic
President of SEEA-net

Liljana Ignjatova
Voted president of SEEA-net and
President of Local Organizing Committee
