

Chapter 3 - endnotes

1. In many countries, drug use continues to be criminalised – even though the UN drug conventions offer considerable flexibility by allowing social and health measures to be used in addition to, or instead of, criminal penalties for people who use drugs and offenders found to be dependent on drugs
2. Commission on Crime Prevention and Criminal Justice (2014), *World crime trends and emerging issues and responses in the field of crime prevention and criminal justice*, E/CN.15/2014/5, https://www.unodc.org/documents/data-and-analysis/statistics/crime/ECN.1520145_EN.pdf
3. In its 2015 World Drug Report, UNODC declared: 'illicit drug use has in fact remained stable'. See: United Nations Office on Drugs and Crime (2015), *UNODC World Drug Report 2015*, <http://www.unodc.org/wdr2015/>
